COOKIE POLICY

Our website uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you use our website and also allows us to improve our site.

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree. Cookies contain information that is transferred to your computer's hard drive.

Type of cookies

We use the following cookies:

- **Strictly necessary cookies.** These are cookies that are required for the operation of our website.

- **Analytical or performance cookies.** These allow us to recognise and count the number of visitors to our website. This helps us to improve the way our website works.

- **Targeting cookies.** These cookies record your visit to our website, the pages you have visited and the links you have followed. We will use this information to make our website and the advertising displayed on it more relevant to your interests. We may also share this information with third parties for this purpose.

You can find more information about the individual cookies we use and the purposes for which we use them in the table below:

Cookie Name	Purpose	More information
Google Analytics	Cookies and other technologies used for analytics help collect data that allows services to understand how you interact with a particular service. These insights allow services to both improve content and build better features that enhance your experience. Google Analytics uses a set of cookies to collect information and report site usage statistics without personally identifying individual visitors to Google. '_ga', the main cookie used by Google Analytics, enables a service to distinguish one visitor from another and lasts for 2 years.	*https://policies.google.com* /technologies/cookies?hl=en-US

reCAPTCHA	reCAPTCHA sets a necessary cookie (_GRECAPTCHA) when executed for the purpose of providing its risk analysis.	https://developers.google.com /recaptcha/docs/faq#does-recaptcha-use-cookies

Third parties

Please note we may share your information with third parties, over which we have no control. These named third parties may include, for example, advertising networks and providers of external services like web traffic analysis services. These third-party cookies are likely to be analytical cookies or performance cookies or targeting cookies.

To deactivate the use of third party advertising cookies, you may visit the consumer page to manage the use of these types of cookies
